	Pneumatic block profile	13	Hard surface like asphalt, concrete, pavement and hard lawn				V						
			Indoor and outdoor										
			Air or foamed										
	Pneumatic block profile	15	Hard surface like asphalt, concrete, pavement and hard lawn			V	V	V					
			Indoor and outdoor										
			Air or foamed										
	Pneumatic block profile non marking	16	Hard surface like asphalt and concrete.			V	V	V					
			Indoor										
			Air or foamed										
	Pneumatic block profile	16	Hard surface like asphalt, concrete, pavement and hard lawn			V	V	V					
			Indoor and outdoor										
			Air or foamed										
	Pneumatic block profile	16	Hard surface like asphalt, concrete, pavement and hard lawn			V	V	V					
			Indoor and outdoor										
			Air or foamed										
		16 cm width											
	Pneumatic block profile	18	Hard surface like asphalt, concrete, pavement and hard lawn				V	V	V				
			Indoor and outdoor										
			Air or foamed										
		18 cm width											
	Pneumatic block profile	18	Hard surface like asphalt, concrete, pavement and hard lawn			V	V	V	V				
			Indoor and outdoor										
			Air or foamed										
		23 cm width											
	Pneumatic winter tyres	16	Snow, rocky, sand and gravel surface			V	V	V					
			Indoor and outdoor										
			Air or foamed										
		16 cm width											
	Pneumatic winter tyres	18	Snow, rocky, sand and gravel surface			V	V	V	V				
			Indoor and outdoor										
			Air or foamed										
		22 cm width											
	Pneumatic Tractor tyres	16	Sand, fields and gravel surface			V	V	V					
			Indoor and outdoor										
			Air or foamed										
		16 cm width											
	Pneumatic Tractor tyres	16	Sand, fields and gravel surface			V	V	V	V				
			Indoor and outdoor										
			Air or foamed										
		16 cm width											
	Pneumatic Tractor tyres	18	Sand, fields and gravel surface			V	V	V	V				
			Outdoor										
			Air or foamed										
		25 cm width											
	Solid rubber tyres Continental SC10	10	Normal profile	V	V								
			4 inch rim										
			Super Elastic										
	Solid rubber tyres Continental SC10 Non-Marking	10	Clean, Non Marking	V	V								
			10 cm width										
	Solid rubber tyres Continental K125/75-8/3.00 SC20	15	Normal profile			V	V	V	V				
			6 inch rim										
			Super Elastic										
	Solid rubber tyres Continental K125/75-8/3.00 SC20 Non-Marking	15	12 cm width										
			Normal profile										
			6 inch rim										
	Solid rubber tyres Continental K 4.00-8/3.00 SC20	16	Super Elastic			V	V	V	V	V			
			10 cm width										
	Solid rubber tyres Continental K 4.00-8/3.00 SC20 Non-Marking	16	Normal profile			V	V	V	V	V			
			6 inch rim										
			Super Elastic										
	Solid rubber tyres Continental	18	Clean, Non Marking								V	V	
			10 cm width										
			18 cm width										
	Solid rubber tyres Continental	18	Normal profile								V	V	
			Super Elastic										
			SCE20										
	Solid rubber tyres Continental	18	Clean, Non Marking								V	V	
			18 cm width										
	Solid rubber tyres Continental	23	Optional Clean, Non Marking									V	
			170 mm width										
	Solid rubber tyres	29	Normal profile										V
			Super Elastic										
			SCE20										
	Solid rubber tyres	29	Optional Clean, Non Marking.										
			355 mm width										
	Polyurethane Tires	16	No Profile						V				
			6 inch rim										
			Cover can be renewed										
	Polyurethane Tires	16	10 cm width										
	Beach tyres	18	Beach Profile			V	V	V	V				
			8 Inch rims										
			25 cm Width										
	Wheel cover	15	only for 15 inch tyres 12 cm width					V	V	V			
	Wheel cover		only for 3XL, 4XL and 5XL								V	V	V
	Axle extension		10-20 cm more axle track						V				
			10 cm more ground clearance
